Constituents can request to have a United States Flag flown over the U.S. Capitol Building. This flag can be dedicated to any person, organization or event of their choice. Also, flags can be flown on any specific day, including weekends and holidays. Each flag is individually boxed and includes a certificate noting the specified dedication. If you would like certificate made out to someone in particular or a certain way, please state that in the space available. If not, you may leave that area blank.

Method of payment: We accept checks only. Please make checks payable to *Gus Bilirakis Stationery Account*
. If paying by check is not an available option and you must pay with cash, it must be EXACT change only as we do not have a cash box to give change. Credit cards will not be accepted.

To receive your flag: Once we have received the payment by mail, we will mail the flag to you. No additional postage will be charged. If you come into the office and pay in person, you will receive your flag then (again, depending on availability).

Please note: there is a limit to the number of flags you may order. No more than 4 flags (of any size or material) will be sold to each party.
