

America is at a crossroads and House Republicans are committed to taking every possible step to spur job creation and get our economy back on track so that Americans can do what they do best: create, innovate and lead. The pro-growth agenda detailed below builds on the GOP Pledge to America, our governing agenda focused on job creation and economic growth. It will address our economic challenges, foster innovation and investment, and help job creators without raising taxes on working families and small business owners. **Download the House Republican plan for America's job creators by [clicking here](#)**
