

Earlier this week, Gus met with dignitaries from Tampa Bay Consular Corps and representatives with Hillsborough County to promote economic development and foreign trade opportunities in the region.

As a member of the House Foreign Affairs Committee, Gus understands that increasing foreign trade will support tens of thousands of new jobs in the Tampa Bay area and have a long-term positive impact on the local economy.

Developing a positive relationship with the Tampa Bay Consular Corps also will help to open up new markets for American goods and make our region and state more competitive globally.
