Washington, D.C.

- Today, Congressman Gus M. Bilirakis (R-Palm Harbor) announced the awarding of a \$5,147,108 million defense contract to the Lockheed Martin facility in Oldsmar, FL.

The contract is for production of seven Acoustic Rapid Commercial Off-the-Shelf Insertion (ARCI) sonar system upgrades, associated pre-cable kits, spares, and production support. ARCI processes acoustic signals from submarine hull arrays, towed arrays, and sphere arrays.

"I have pledged to the people of Florida's Ninth District that I will work to ensure federal dollars continue to be invested into our community and its companies. Today, I'm happy to announce fulfillment of this pledge," Rep. Bilirakis said.
