Committee on Appropriations

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Pinellas County's tidal inflow check valve improvement project in fiscal year 2022.

The entity to receive funding for this project is the Pinellas County Government, located at 315 Court St, Clearwater, FL 33756.

The funding would be used for the purchase and installation of fifteen-to-twenty five tidal check valves throughout Pinellas County. These check valves will allow stormwater to discharge while preventing saltwater intrusion to the stormwater system.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Gus M. Bilirakis  
Member of Congress
