The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Design and Permitting of the City of Dade City Wastewater Treatment Plant Relocation and Upgrade project in fiscal year 2022.

The entity to receive funding for this project is the City of Dade City, located at 38020 Meridian Avenue, Dade City, FL 33525.

The funding would be used for the relocation of the existing wastewater treatment plant from the Historic Mickens-Harper neighborhood – a historic Black community – and necessary improvements. The new system will utilize a 3-stage biological nutrient removal process, and has been an intended project for the City for the last ten years.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Gus M. Bilirakis
Member of Congress
