The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Kings Bay Community Recovery and Resiliency Project in fiscal year 2027. The entity to receive funding for this project is Save Crystal River, located at 915 North Suncoast Blvd, Crystal River, FL 34429. The funding would be used to rebuild and protect the natural islands located in Kings Bay by using a combination of green and grey infrastructure that will ensure these natural barriers will create a lasting solution that will reduce the impact of storm surge and coastal erosion for decades to come.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 203 of the Stafford Act (42 U.S.C. 5133), as amended by Section 1234, National Public Infrastructure Pre-Disaster Hazard Mitigation, of the Disaster Recovery Reform Act (DRRA) of 2018.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
