The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Sustainable Futures Program in fiscal year 2027. The entity to receive funding for this project is the School Board of Pasco County, Florida located at 7227 Land O' Lakes Blvd, Land O' Lakes, FL 34638. The program is a comprehensive K-12 initiative focused on sustainability, with emphasis on water supply, water quality and conservation, agriculture, and natural resource management. In partnership with the Southwest Florida Water Management District and through field-based learning on conserved lands in Pasco County, students will develop a deep understanding of sustainable resource management.

This project has a federal nexus because it is for the purposes authorized by the Soil Conservation and Allotment Domestic Act of 1935, 16 U.S. Code sections 590a-590d and 590f-g.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
