The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Pasco Sheriff's Office Range Improvements in fiscal year 2027. The entity to receive funding for this project is the Pasco Sheriff's Office, located at 8661 Citizens Drive, New Port Richey, FL 34654. The funding would be used for upgrades and improvements to an existing firearms training complex for local, state, and federal law enforcement. The funding would be used to re-engineer the civil design to improve drainage, mitigate water runoff, and better control berm erosion; expand capacity by adding additional lanes of fire; modernize target systems to improve the level of training offered; add cover and lighting to extend the range's usable time; and other infrastructure enhancements to improve trainee experience and overall safety and security of the facility.

The project has a Federal nexus because the funding provided is for purposes authorized by section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
