The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Parkway Boulevard Sidewalk project in fiscal year 2027. The entity to receive funding for this project is Pasco County, Florida, located at 8731 Citizens Drive, New Port Richey, FL 34654. The funding will eliminate existing sidewalk gaps with residential neighborhoods, providing improved pedestrian access and connectivity to the nearby Pineview Middle School. This will aid in the Transportation Engineering Department's mission to provide safe, connected, efficient multimodal transportation systems for all users in the County.

The project has a Federal nexus because the funding provided is for purposes authorized by section 23 U.S.C. 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
