The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Dade City Integrated Pediatric and Family Health Project in fiscal year 2027. The entity to receive funding for this project is Premier Community HealthCare Group, Inc. located at 37912 Church Avenue, Dade City, FL 33525. The funding would be used to renovate an existing dental facility and create a dedicated pediatric health center, integrating medical, dental, and mental health services in a single location. Funding would also support the renovation of an existing Dade City Family Medicine/Primary Care facility that will expand capacity and integrate additional mental health services and specialty care. Together, these refurbishments will expand access to high-quality healthcare services to East Pasco, a rapidly growing community.

The project has a Federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
