The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Pasco County Utilities Sea Pines Septic to Sewer Project in fiscal year 2027. The entity to receive funding for this project is Pasco County Utilities located at 19420 Central Boulevard, Land O' Lakes, FL 34637. The funding will connect existing septic systems to a gravity main, which flows into pump stations, and a force main leading to the county's central sewer network and wastewater treatment facility. The project will provide an estimated 1,040 pounds per year of nitrogen load reduction and generate reclaimed water for water reuse.

The project has a Federal nexus because the funding provided is for purposes authorized by the Clean Water Act, 33 U.S.C. 1383(c) (Section 603(c) of the Clean Water Act).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
