The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Brooksville's Water Treatment Capacity Enhancement project in fiscal year 2025. The entity to receive funding for this project is the City of Brooksville, Florida, located at 201 Howell Avenue, Brooksville, FL 34601. The funding would be used to address an urgent wastewater capacity challenge due to rapid growth, with the wastewater treatment facility nearing full capacity by 2028. Expansion to treat 5 million gallons daily and a local sewer interconnect is crucial for environmental safety and service sustainability.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 33 U.S.C. 1381 et. seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
