The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Construction of Wilton Way Connector Road on Speros FL Development in fiscal year 2025. The entity to receive funding for this project is the Pasco County Board of County Commissioners, located at 7530 Little Road, New Port Richey, FL 34654. The funding would be used to design, permit, and construct a public roadway and related infrastructure on the "Speros, FL" Life Sciences Innovation campus being developed by the non-profit organization Moffitt Cancer Center. The roadway consists of approximately 3,400 feet of four lane, divided collector roadways with multi-use paths, sidewalks, and turn lanes necessary to support future developments.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
