The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Pasco Sheriff's Office Human Performance Program Equipment and Technology project in fiscal year 2026. The entity to receive funding for this project is the Pasco Sheriff's Office, located at 8661 Citizens Drive, New Port Richey, FL 34654. The funding would be used for additional equipment and technology for Pasco Sheriff's Office Human Performance Program. This program has been focused on developing wellness and physical health for members through a regular physical training program. This focus reduces downtime for members, allowing officers to best serve the community while reducing injuries and improving the quality of life of members of the Sheriff's Office.

The project has a Federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
